

Json::Requirement

```
classDiagram
    class JsonRequirement["Json::Requirement"]
    class JsonObjectRequirement["Json::ObjectRequirement"]
    JsonObjectRequirement --|> JsonRequirement
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "Json::Requirement". Below it is a gray rectangular box with a black border containing the text "Json::ObjectRequirement". A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "Json::ObjectRequirement" inherits from "Json::Requirement".

Json::ObjectRequirement
